

Can you help your P&C

Uniform shop

Our uniform shop is run by parent volunteers. We could do with a few extra parents to help serve when the shop is open and especially to assist at stocktake time and a few other peak periods.

The Canteen

Our canteen staff would really welcome having a parent volunteer to lend a hand. If we could cover all the days of the week that would be fantastic. You might like to volunteer once a term, once a month or every week. Whatever suits you will suit us to!

Join the Cook Up team

We have a number of homemade specials on our menu and would like to add more but these require parent led cook ups. You don't have to be involved in every cook up just be on the list of volunteers to call when we need.

Volunteers list

Our P&C are involved in all sorts of events during the year and some of these require additional volunteers beyond the committee. To accommodate these times we have a list of volunteers we can contact to see if they are available to help out. Its fine if you can't but it helps us to know who to call.

Types of events: Mother's day, Father's day and Christmas Stalls, College Expo/Open Night, Sausage Sizzles, Sports Carnivals, Colour Run and Disco.

Gift Stall Team

As you know we have a gift stall for Mothers Day, Fathers Day and Christmas. We sometimes need volunteers to help with the preparation and especially on stall days.

We hope you can see that you don't have to give up lots of time to help. The more volunteers we have the more we can achieve for our kids. If you can help and want to become a great role model for your children, please return the below slip to school.
