Dear Parent/Caregiver

As you may be aware all students will need to have a Smartrider student concession card to travel on public transport. Roleystone Community College is a participating school therefore if you require a Smartrider student concession card and you do not already have one you can apply for one through the school at no cost. To apply you need to fill in the slip below and return it the school’s front office as soon as possible. The school will then organise a card for your student which will be sent to the school. Once your student has received the card you will need to add value to your card to allow you to use the Transperth network. A minimum value of $10.00 must be added to your Smartrider card.

The cost of replacing a lost or damaged Smartrider student concession card is $5.00.

Yours faithfully

P Thatcher
Principal
