

## 2021 Kindy Application Reminder

If you are a parent with a child that is Kindergarten age in 2021, our enrolments now close on 7 August.

Please advise any friends in this situation that they need to enrol as soon as possible as we may need to make a restructure due to numbers.

We do not want local children to miss out on a placement, however after the decision on structure is made, we will not be able to go beyond that decision.

To enrol your child, the following documents are required:

Birth Certificate (children born between 1 July 2016 and 30 June 2017)

Up to date Immunisation statement (AIR) [www.my.gov.au](http://www.my.gov.au) or 1800 653 809

Proof of residential address
