## STUDENTS TAKING IN-TERM HOLIDAYS

Attendance has been a major focus of the Department of Education many years as all research shows that regular attendance is necessary to improve student learning.

### Focus 2017 Improved Student Attendance:

- Positive “attendance careers” are established and maintained by students from day one in Kindergarten.
- Pursue and document attendance of every student not demonstrating regular attendance, bringing to the attention of relevant agencies students at risk.

### Strategic Plan for WA Public Schools 2016 - 2019

- As a performance measure: Proportion of students achieving regular (90% and more) attendance.

### Roleystone Community College Business Plan 2017 - 2020:

- Maintain student attendance at 92% or above.
- Reduce unexplained absences to below 10%
