

PP Immunisation Reminder for 2021

Parents with students planning to attend Pre-Primary at the College in 2021 are reminded that in order for your child to transition from Kindy to PP, the school requires an 'up to date' copy of your child's AIR (immunisation) certificate showing the 4-year-old injections are completed. This document is required in accordance with current legislation.

The certificate can be downloaded from the MyGov website via the Medicare section.

Please bring the certificate to the Front Office as soon as possible.

If your child is currently enrolled in Kindy at RCC and you plan to stay at the College, you don't need to re-enrol, however if your child is not currently enrolled at RCC you are invited to download an application form from our website to submit as soon as possible, or come into the Front Office.

Appropriate documentation (Birth Certificate, Immunisation Certificate and Proof of Address) must be supplied.
