

IMPORTANT NOTICE

STUDENTS WHO WILL BE ATTENDING PRE-PRIMARY IN 2023

If your child is currently enrolled in Kindergarten at Roleystone Community College and you plan to stay at this school for Pre-Primary you don't need to re-enrol.

In order for your child to transition to Pre-Primary the school does require an 'up to date' copy of your child's AIR (Immunisation) certificate showing the 4 year old injections completed. This document is required in accordance with current legislation.

The certificate can be downloaded from the MyGov website via the Medicare section. Please bring this certificate to Reception as soon as possible.
