

IMPORTANT NOTICE TO PARENTS/CAREGIVERS ALL CURRENT KINDY STUDENTS

The Department of Education requires an 'up to date' copy of the Medicare Immunisation Certificate (AIR) showing '4 year old' injections have been completed.

Please bring a copy of the certificate to the Administration Office to update your child's records. If you intend your child to remain at Roleystone Community College and transition to Pre-Primary this is a pre-requisite. Students who do not have an 'up to date' certificate will not be accepted into Pre-Primary 2021.
