

RCC's Acknowledgement of Country

Roleystone Community College acknowledges the Wadjuk people of the Noongar nation.

As one we stand on Wadjuk boodja and pay our **respects** to past, present, and emerging elders of this beautiful country.

Together we recognise the **contributions** of both Aboriginal and non-Aboriginal Australians to the land on which we learn and dream.

Further, we **challenge** ourselves to work in harmony as a school community to maintain and develop the flora and fauna on this land to create a more sustainable future.
