

Below are all of the Online Resources accessible for communication and sharing between students, parents and teachers.

Email / Outlook

Teachers and students can be reached via their respective emails. Student emails are their school logons, followed by @student.education.wa.edu.au

Connect

The official information gateway used by Roleystone Community College. Attendance and notices for homework, assessment due dates, and school events will be communicated through Connect.

OneNote

Individual OneNote ClassNotebooks will be set up for different learning areas. Student work and access to resources will be within this app.

OneDrive

Your "USB in the sky"! Students have access to 1TB of online storage space to save all of their schoolwork, as long as they are a student at a WA public school.

Microsoft365

Home of all of the unmentioned "office" apps. Can be logged into using student details at Microsoft.com

Any questions?
